

Remember - Don't forget to register your display
before
1st May 2018.

Registration Form
Home for a Gnome in Tarvin
26th May - 22th June 2018

Tarvin will be hosting a gnome invasion this summer!
There were over 80 displays for the last event, lets
see if we can beat that total this year.

Displays can be big or small, but the more the better
- it makes the hunt even more exciting. There is a
prize of tickets to Knowsley Safari Park for the best
display voted for by the gnome hunters, so good luck!

Entry forms and maps will be on sale throughout the
village from Saturday 26th May, however, those who
take part in the event by creating a display will
receive a complimentary Gnome Trail Map.

If you would like to create a gnome display, please
complete the form below and return it to the address
below, **before 1st May.**
